Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Monday 26 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Heavy showers, locally thundery on Tuesday.

This Evening and Tonight:
Sunny spells continuing into the evening, with any isolated showers in the south fading. Cloud building across the region during the night with some areas of locally heavy rain around dawn. A warm night with light winds. Minimum temperature 14 deg C (57 deg F).

Tuesday:
A largely cloudy start with showers developing through the morning. Showers turning occasionally heavy, perhaps thundery into the afternoon with some sunny spells between. Feeling cooler with a breeze. Maximum temperature 23 deg C (73 deg F).

Outlook for Wednesday to Friday:
Remaining unsettled through this period with sunny spells at times and scattered showers, often heavy and perhaps thundery. Feeling rather cool with a breeze.
